

Camp Registration Checklist

*****SUBMIT 3 WEEKS IN ADVANCE OF PATIENT ARRIVAL*****

To ensure patients are registered seamlessly to camp; this checklist is a guidance of items that needs to be submitted for the dialysis camp team to review. The most up-to-date camp forms are available on the camp website:

<https://www.lionscampdorset.com/dialysis-patient-forms>

- Completed 'Patient Information Form'
- Completed 'Camp Dorset Hemodialysis Prescription' [All sections must be filled and signed by nephrologist or nurse practitioner]
- Attach 3 most recent treatment records
- Completed and signed by patient 'Consent Form for Treatment at Lions Camp Dorset' [SDM / POA section must be completed]
- Complete and signed by nephrologist or NP 'Admission Criteria for Hemodialysis Patients'
- Complete or send the Hepatitis B surface antigen (HBsAg) and Hepatitis B antibody (HBsAb) [60 days results are acceptable]
- If patient's code status is NO CPR – send supporting documents
- The nephrologist/NP will assess patient's condition and suitability for camp 1 week before departure. If the patient's condition changes – the camp must be notified
